PRODUCT GUIDE

Classic Range

Strong, Robust & Multifunctional
Cubicles in Classic Designs

09 972 7682
sales@duraplan.co.nz
www.duraplan.co.nz

A strong multi-functional system combining clean lines with extreme strength, classic aluminium frame work, together with solid grade compact laminate panels that are ideal for all wet and dry and extra demanding environments.

The Classic Range is ideal for sports clubs, schools, and all public facilities that have a lot of use and abuse, as their rigid framed construction makes them fully equipped for this type of application.

| FEATURES

- Aluminium vertical support posts fixed directly to the floor, pilaster and headrail delivering extra strength & durability from the ground up
- Clean lined system with minimal cavities making it easy to clean
- Full length aluminium channels at wall junctions
- Available in antibacterial panel providing a safe environment
- Added lateral rigidity is provided by a continuous aluminium head-rail mounted to the vertical support frames and panels
- Flexible design and configuration
- Hardware: High quality & robust brushed stainless
- Special rebated aluminium vertical posts for the doors & pilasters for providing total privacy

| COMPONENTS

- Aluminium Headrail - anodised/powder coated finish
- Aluminium Wall Channel - anodised/powder coated finish
- 13mm Compact Laminate Panels
- DuraLam Panel Colour Range
